ON INVESTIGATION DISCOVERY**

(Silver Spring, MD)—When marriages fail, divorce can turn ugly – even, deadly: what was once a passionate union becomes plagued by spite, greed, betrayal and, literally, backstabbing. Investigation Discovery’s newest series, **FATAL VOWS**, takes a new twist on tales of love turned lethal. Each hour-long episode explores tumultuous, shocking, and disturbing divorces, and delves into the criminal psychology behind what actually happens when one spouse determines that the only way out is murder. Guiding viewers through these crimes of passion are Dr. Brian Russell, an attorney as well as a forensic and clinical psychologist, and Stacy Kaiser, a licensed psychotherapist and relationship expert. In each episode, the two experts examine the couple featured and provide analysis on marriages that break down to the point that divorce and murder collide. **FATAL VOWS premieres Saturday, November 17 from 10-11 PM (ET/PT) on Investigation Discovery.**
