Inspired by Discovery Family's 2012 hit series **LITTLEST PET SHOP**, "A World of Our Own" reveals a completely overhauled pet-centric world where even the littlest pet is treated like the greatest king! Pets (especially the really good ones) gain access to the Littlest Pet Shop in Paw-Tucket via a magical portal that spans between the human and pet world. Once they arrive, pets from all walks of life near and far come to celebrate who they are, with a ton of fun along the way!

Roxie persuades the gang to attend a wilderness seminar aimed at reconnecting with their "inner-animal." But when the seminar's instructor, a good-natured bear, falls into hibernation, Roxie and the others must tap into their instincts to find their way out. Later, Roxie mentions to Edie and Bev that Jade does not land on her feet, unaware that Jade is embarrassed by this fact and has kept it secret. Horrified that she has spilled Jade's secret, Roxie finds herself running all over Paw-Tucket to put a lid on the info.
- **Copycats, Copy-Dogs & Copy-Iguanas/The Imitation Game premieres Saturday, May 26 at 12/11c**
When Jade creates a scarf as a fashion-accessory, she is instantly hailed as a fashion-maven and copied by all the pets in Paw-Tucket.
