NEW EPISODES RETURN

GHOST ADVENTURES: SCREAMING ROOM

Paranormal investigators Zak Bagans, Aaron Goodwin, Jay Wasley and Billy Tolley are opening up to viewers as they’ve never done before in Travel Channel’s new series, “Ghost Adventures: Screaming Room.” The guys are kicking back in their screening room to watch their favorite episodes of the hit series and get candid with fans – and each other – about their craziest experiences over the past decade. Away from the haunted locations we usually see them in, with no equipment or investigations, the crew will relive some of the most terrifying, shocking and even comedic moments from their career, as they re-watch their most memorable investigations with never-before-heard stories from the moments that created a legacy. Get ready for laughs, screams and surprises alongside the crew in the ultimate tell-all event. *[Hour-long episodes]*

“Demons in Seattle Decoded” – Premieres Thursday, May 21 at 9 p.m. ET/PT

Zak Bagans and the guys review one of their most controversial episodes to date. They teach a hard lesson that not every paranormal report is true, and not every investigation leads to conclusive evidence.

NEW EPISODES

GHOST NATION

Jason Hawes, Steve Gonsalves and Dave Tango are back for more adventures to the other side in a new

season of “Ghost Nation.” This season’s locations have bigger mysteries, are more chilling and have never been investigated on television. And this time, they are calling in an old friend for some help – paranormal investigator Shari DeBenedetti. On all investigations, collecting evidence is just the beginning. With the help of their local contacts, they’re going to embed themselves in the community, conducting multi-day investigations in an effort to track down the true source of these hauntings and restore peace to the living. Under the United Paranormal Research Organization (UPRO) banner, local paranormal groups will join the team as they employ new devices and techniques for confronting and questioning spirits. They’ll do whatever it takes to entice the ghost into telling its story and stop at nothing to get to the bottom of the paranormal phenomena. *[Hour-long episodes]*

“Afterlife Sentence” – Premieres Wednesday, May 13 at 9 p.m. ET/PT

Four new team members join Jason Hawes, Steve Gonsalves, Dave Tango and Shari DeBenedetti on their investigation of the Mid-Orange Correctional Facility in Warwick, New York. They scramble to find answers to the supernatural turbulence holding the property, and its new owners, hostage.

“Demonic Plantation” – Premieres Wednesday, May 20 at 9 p.m. ET/PT

Jason Hawes, Steve Gonsalves, Dave Tango and Shari DeBenedetti travel to Blair, South Carolina, to investigate reports of demonic activity at a 200-year-old plantation. Numerous deaths on the land and a dark family secret means the team have their work cut out for them.

DESTINATION FEAR

Buckle up for another fright-fueled season of “Destination Fear” – a haunted road trip turned terrifying sleepover. Brother and sister duo, Dakota Laden and Chelsea Laden, and best friend Tanner Wiseman, along with camera operator Alex Schroeder, confront their fears once again, as they pile into their RV and hit the road on a nail-biting cross-country journey to pursue paranormal evidence, spending the night inside America’s most haunted abandoned buildings. Lured by the unknown and with a greater understanding of fear, the crew explores a whole new set of abandoned locations with grim histories – only this time the destinations remain a surprise, not just to Chelsea and Tanner, but to Dakota as well, as they each take turns picking a haunted hot spot, challenging each other in unique ways. *[Hour-long episodes]*

“Old Montana Prison” – Premieres Wednesday, May 13 at 10 p.m. ET/PT

The team investigates a former Montana prison haunted by dark entities known for choking, shanking and even possessing visitors. Dakota Laden must overcome his fear of violent spirits in order to survive the night behind the walls of the vile place.

“Hill View Manor” – Premieres Wednesday, May 20 at 10 p.m. ET/PT

The team heads to New Castle, Pennsylvania, to investigate a former home for the destitute and elderly. Dakota Laden is determined to conquer the terror inside, but things go horribly wrong when Alex Schroeder leaves the property in a dire paranormal-induced emergency.

GHOST ADVENTURES

In each episode of “Ghost Adventures,” Zak Bagans and Aaron Goodwin, along with A/V techs Billy Tolley and Jay Wasley, travel to a different haunted destination where they meet with locals, eyewitnesses and experts in an attempt to piece together the haunted history of each site. They then begin their “lockdown” investigation, using the latest scientific gadgets and technology in an effort to

obtain physical evidence of the paranormal and uncover the truth behind each haunted mystery. *[Hour-long episodes]*

SEASON FINALE: “Bloodshed in the Bordello” – Premieres Thursday, May 14 at 9 p.m. ET/PT
