Kimmi and Maurice are stuck in the middle of drama with family and friends, while adjusting to having Maurice's son in Huntsville full-time. The Holts are welcoming a new addition to the family, but Melody is struggling to balance work, her expanding brand, and four kids all while trying to repair her fragile marriage with Martell. Much to the frustration of Marsau, LaTisha continues to move forward with her full-time career, and makes a few new enemies along the way.
