INSIDE THE HUMAN BODY – CREATION

This is the incredible story of human creation and the extraordinary events that led to the birth of each individual. Using sensational graphics, we bring to life the latest medical research to reveal the events that transform a sperm and an egg into a brand new life. We journey with millions of sperm on their dangerous race towards the egg and see how trillions of cells assemble in to a human body. This special features a family who are expecting their 16th baby, a couple who are followed through to the dramatic birth of triplets and the oldest conjoined twins in the world. Together with these and other heart-warming human stories, we show how you being here at all is against the odds

HOARDING: BURIED ALIVE (SEASON 3) #7 - STOP TOUCHING MY STUFF!

From the outside, 16-year-old Haley appears to live a normal teenage life with her parents and younger sister. But inside their picture perfect home lies a secret - Haley's bedroom. Every inch is covered with not only Haley's belongings, but items she steals from the rest of the house as well. From pens, to clothing, to books, Haley goes on the hunt almost every night in her own home leaving her family with no choice but to lock the rest of the doors and cabinets in the house to keep Haley out. Unable to control her own obsession, Haley claims it began when her brother passed away when she was four years old. Wanting to hold on to the past has caused Haley to hold on to objects as well. Haley's parents have tried everything to help their daughter overcome her illness but nothing has worked...until now. With the guidance of clinical psychologist Dr. Julie Pike and professional organizer Lara Miller, Haley is in for a reality check of her life when she visits former "Hoarding: Buried Alive" participant, Jahn, as she continues to struggle with her own extreme hoarding addiction. Witnessing what her life could become, will Haley finally admit that she has a problem or will continued denial push the rest of her family to their breaking point?

LIVIN’ FOR THE APOCALYPSE
LIVIN' FOR THE APOCALYPSE explores the fascinating human stories behind the bunkers and bug out bags. The stark differences and overlapping commonalities between these characters paint a previously unseen picture of this secretive community. We've all thought about the one thing we would salvage in a fire. It's different for everyone and it's always based on what you hold most dear. The same goes for preparing for the apocalypse. Preppers are highly opinionated about the best methods for survival and they live with unwavering conviction. Whether their focus is food storage or stockpiling ammunition in their bunker, they all are obsessed with doing it right. Likewise, there are fascinating differences in the way that each prepper believes the world will end. While they are all preparing for the same event, there are countless theories about how it will happen and what life will be like afterwards.
