FAST N' LOUD: Road to Chopper Live Part 2 special premieres on Monday, December 10 at 8 PM ET/PT

Coming off the worst week in Gas Monkey history, the crew gets a special Build Off "gift" from Jesse James. In retaliation, the Gas Monkey crew flies a special message over Jesse's garage. And so the Teutuls don't feel left out, GMG sends their garages a "festive" gift to help the Teutuls with their competition motorcycles. When not monkeying around, the crew races against the clock to finish the '59 Chevy Apache in time for auction. Meanwhile, Richard tries to make some cash. He and Aaron pick up a 1968 Shelby Mustang, getting a sweet deal which also includes a ski boat ride.

NEW EPISODES

Thursday, December 6

10 PM ET/PT – **GHOST TOWN GOLD**

Boomtown or Bust: The region encompassing Eureka, Utah and Eureka, Nevada has a great mining history with larger-than-life characters, but sadly, as the mines closed so did the businesses. Now, many residents of these forgotten towns are working hard to reclaim their former glory. Representing the true spirit of the Wild West, the locals are rebuilding their towns' rich history one brick at a time. For Brit and Scott, one man's trash is another man's treasure. With a fist full of dollars, our guys are in the perfect position to provide a much-needed cash injection to help put the boom back in boomtown!

Friday, December 7

9 PM ET/PT – **GOLD RUSH**

Road to Gold: After waiting for a third of the season Todd Hoffman and his crew finally get to test their new Turbo Trommel. Dave Turin pushes his Indian River crew to double their last clean out. The Dakota Boys receive a visit from an inspector with the power to shut down their mine and Parker Schnabel brings in dynamite to blast a massive boulder that's between him and the gold.

Sunday, December 9

9 PM ET/PT – **CURIOSITY: VOLCANO TIME BOMB**

Millions of people live in the shadow of active volcanoes where the threat of eruption is always looming. Using CGI technology, CURIOSITY takes viewers into the heart of these monsters to show how volcanoes actually work and why they are so difficult to understand. The episode goes inside the labs of

the world's leading experts to answer the ultimate question: Is it possible to predict the next volcanic eruption and unlock its deadly secrets?

- **Press Web:** <http://press.discovery.com/us/dsc/programs/moonshiners/>

Thursday, December 13

10 PM ET/PT – **GHOST TOWN GOLD**

Showdown in Silver City: Brit and Scott follow the Oregon Trail travelling through Idaho and Oregon as they hunt for discarded treasures the early pioneers left behind. They'll meet a Silver City hotel and drug store owner dedicated to preserving old buildings packed with unusual relics and two dyed-in-the-wool rancher-cowboys with direct family ties to early settlers who came West. Searching through attics, cellars, and even an old vault, they find everything from old medical equipment and early medicines to wagon parts and a mysterious locked trunk: each item telling a story of the pioneers who made the 2,000-mile trek from Missouri to Oregon.

Friday, December 14

9 PM ET/PT – **GOLD RUSH**

Up Smith Creek: Todd Hoffman operation faces closure if he fails to get the 100 ounces of gold required by his investor. Then his Turbo Trommel lets him down so it's down to Team Turin to make good on the deal. The Dakota Boys believe they've found the elusive Glory Hole and Parker Schnabel uncovers the two-year mystery of Smith Creek Hill, right as his grandpa reveals he may not return from a life-threatening operation.

Sunday, December 16

9 PM ET/PT – **CURIOSITY: WHAT DESTROYED THE HINDENBURG?**

Dozens of theories exist about how the Hindenburg went down during that night in May 1937. Yet three quarters of a century later, there is still no clear answer. CURIOSITY will attempt to find out what really happened by building three replicas and testing the top theories behind what actually destroyed the Hindenburg.
