9PM ET/PT – **RUSSIAN YETI: THE KILLER LIVES**

In 1959, nine Russian students mysteriously died while on a hiking trip in a remote area of the Ural Mountains. Fifty-five years later, American explorer Mike Libeck is reinvestigating the mystery – known as The Dyatlov Incident – but what he uncovers is truly horrifying. The hikers left a clue, a photograph, which suggests the cause of their horrific deaths could be the work of a creature thought only to exist in folklore: the creature known as the Yeti.
