Series Premiere - Saturday, June 1 (Two back-to-back episodes from 10 p.m. - 10:30 p.m. ET/PT and 10:30 p.m. - 11 p.m. ET/PT)

The new original series follows the outrageous, real-life adventures of Mary, Josie and Teresa, three golden-aged sisters who shot to fame after a web video of the trio viewing the Kardashian sex tape went viral. Mary is in her eighties and twin sisters Josie and Teresa are not far behind, but these three outspoken, fun-loving Bronx-born women are no sweater-knitting, porch-rocking seniors ... not by a long shot. In this season, the spunky trio head on a road trip to Las Vegas to gamble, have the surprise of their lives when they meet Oprah Winfrey, visit where they grew up in the Bronx to reminisce about the good ol' days, live la vida loca at the racetrack and much more.

(P) Saturday, June 1 (10 p.m. - 10:30 p.m. ET/PT) Episode: Josie's Salon

Josie founded her salon, Michelangelo Hair House, in the 70's. Back then, the place was cool, as she says, like “disco.” But as the business grew older over the years, Josie's loyal clientele grew older with it, and she has come to the realization that it's time to bring in some fresh, young customers. The Golden Sisters put their heads together and shoot a commercial to spice things up.

(P) Saturday, June 1 (10:30 p.m. - 11 p.m. ET/PT) Episode: Mary Cheats on Jack

Mary finds out that her favorite singer, Engelbert Humperdinck, who she hasn't seen in concert in 40 years, will be performing at a nearby casino. With her sisters in tow, Mary is ready for the night of her life and the man of her dreams. Mary wants Engelbert to notice her, so the girls decide to get makeovers. At the concert, Mary can hardly contain her excitement after Engelbert finishes singing her favorite song, “Please Release Me” and she storms the stage while Josie and Teresa watch in disbelief.

(P) Saturday, June 8 (10 p.m. - 10:30 p.m. ET/PT) Episode: #winetasting

The sisters have the surprise of their lives when they meet Oprah for the first time. While reminiscing, they decide to make some of their famous Rucola

bread. Looking for something to pair the bread with, the sisters head to wine country where they end up over-indulging in some of the local spirits.

(P) Saturday, June 15 (10 p.m. - 10:30 p.m. ET/PT) Episode: Teresa's Agency

The girls get a tweet while eating lunch: "What is the biggest risk you've ever taken?" For Teresa, it was buying a talent agency and learning the job on the fly. Her claim to fame was discovering Shia LaBeouf and now it's time to discover new actors during pilot season. Teresa's assistant is out sick, leaving her alone in the busiest time of year in Hollywood. With nowhere else to turn, she calls her sisters to come save the day, but calamity ensues when she realizes they don't know the first thing about running an office.

(P) Saturday, June 22 (10 p.m. - 10:30 p.m. ET/PT) Episode: What Happens in Vegas...

Mary heads to her favorite place in the world, Las Vegas, and Josie and Teresa aren't about to miss out on the fun or the large buffets. While Mary competes in a casino poker tournament at the Palazzo Venetian, the sisters decide to take Vegas on like seasoned veterans. Things get messy when Teresa tries a "Master Cleanse" to make room for all the Vegas food.
