10PM ET/PT – MYTHBUSTERS

Breaking Bad Special: Things are about to get unstable, volatile and dangerous -- it's the MythBusters Breaking Bad Special. Joined by creator Vince Gilligan and star Aaron Paul, the MythBusters are scrutinizing the science and checking the chemistry of the hit TV show 'Breaking Bad'. First up Adam and Jamie take on a bathtub blowout because according to the show, acid could chew through organic matter, a bathtub, the floor and the ceiling. But can Hydrofluoric acid really dissolve a body and burn a hole in your bathroom? Meanwhile Kari, Tory and Grant break bad with a mercury fulminate fable. In a spectacular scene Walter White decimates an entire room with a fistful of crystal. But could he really have blinded the Breaking Bad guys with science?

10PM ET/PT – TICKLE

Whisky Windfall: Lovable still-hand Tickle accidentally discovers a stash of someone else's moonshine hidden in the forest. When his usual partner in crime, Tim Smith, wants nothing to do with this situation, Tim suggests visiting local legend Grandpa Bill for help. Even after calling upon his best friends, Moe and Howard, it is decided to approach Grandpa Bill. He requires an unnamed favor to be called in at a future time, but offers to help Tickle set up a business front to distract from moving the newly found 'shine. Despite the uncertainty of what a favor for Grandpa Bill could entail, there might be an even bigger obstacle for Tickle waiting for him at home.

10:30PM ET/PT – **PORTER RIDGE**

Deal 'R No Deal: In the premiere episode of Porter Ridge we meet Terry and the gang as they take on a repo mission confronting their rivals, the Dog Killer Ridge boys.

When Terry goes to DKR on repo mission, he comes back with an old locked safe instead of a truck. He spends the rest of day with Dirty Andy and the gang trying to get it opened, in hopes of a big score. Meanwhile, Jeff takes Bob out for a truffle hunt with Barry and Elvis Larry, but spends as much time chasing after his buddies as he does his bear.
