### **Current Series**

#### **PARANORMAL LOCKDOWN**

##### **New Episodes air Fridays at 10/9c**

In DA's highest-rated new series, paranormal all-stars Nick Groff and Katrina Weidman stretch the limits of paranormal investigation as the two confine themselves in America's most terrifying places for an unprecedented 72 hours straight. Living at haunted locations, many of which have never before been seen on television, some being investigated for the first time ever, Groff and Weidman believe that the longer they stay, the more the spirits will communicate with them and the more information they can gather about the unknown. **Groff Entertainment**

#### **MOUNTAIN MONSTERS**

##### **New Episodes air Saturdays at 10/9c**

MOUNTAIN MONSTERS follows a team of expert hunters and trappers as they defend Appalachia from mysterious creatures that have spawned countless sightings in the region for generations. As native sons of West Virginia, the Appalachian Investigators of Mysterious Sightings (AIMS) put a lifetime of training to the test as they investigate, track, and attempt to trap legendary local beasts like Bigfoot, Chupacabra, and Sheepsquatch to prove they are fact, not folklore. **American Chainsaws**

### **Upcoming New**

#### **GHOST ASYLUM**

**New Episodes Premiere Sunday, April 3 at 10/9c**

Phantoms, demons, and shadow creatures beware! GHOST ASYLUM is back following the Tennessee Wraith Chasers (TWC) ghost-hunting team as they investigate paranormal activity in America's most frightening asylums, sanitariums, penitentiaries and haunted hotspots. *Respect, detect, collect* is TWC's motto and the core process they follow in every investigation, which combines scientific methodology and ghost-hunting gadgets with Tennessee wit and thirst for adventure. TWC's goal isn't just to communicate with restless souls but to help them find peace beyond the gates of their ghostly tomb. ***Tremendous Entertainment***

#### **WHAT'S FOR SALE: WITH A VIEW**

**New Series Premieres Wednesday, April 13 at 10:30/9:30c**

If getting away from the monotony of daily life could be as simple as glancing out the window, how much is that worth? From rolling vineyards to snow-capped mountains, potential homebuyers are presented three picture-perfect homes with incredible, jaw-dropping views. Meet the buyers, hear their stories and take a glimpse into the world of stunning views for sale.

#### **GHOST BROTHERS**

**New Series Premieres Friday, April 15 at 10/9c**

What you see is what you get with Dalen Spratt, Juwan Mass and Marcus Harvey, the Southeast's newest and most dynamic paranormal investigation team. These three best friends are the GHOST BROTHERS, on a mission to uncover whether some unique, legendary haunted houses are the real deal. Raised in religious households, Dalen, Juwan and Marcus were taught that "messing" with the dead is dangerous business, but some unexplained experiences of their own piqued their intense fascination, ultimately driving them to find out firsthand just how spooky the supernatural can be. Blending natural curiosity with comedic flair, these charismatic characters offer a fresh, funny and unique take on the spirit world. ***Pilgrim Media Group***

#### **SMOKED**

**New Series Premieres Wednesday, June 1 at 10/9c**

Rivalries abound in the BBQ world. Every pitmaster has an axe to grind, a nemesis, or someone they just plain want to beat. Each episode of SMOKED gives two pitmasters with a personal history the chance to go head-to-head in a BBQ battle and prove once and for all who's the best — and who's gonna get smoked. The winner of each battle takes home bragging rights and a shot at a cash prize! ***Citizen Pictures***

### ***Upfront Programming***

#### **GHOSTS OF SHEPHERDSTOWN**

Shepherdstown is renowned for being the oldest town in West Virginia. It is also quietly referred to as the most haunted town in America, because it has always been home to inexplicable hauntings, bizarre accidents and unsolved crimes. In a town of 1,700 residents, almost every single person has had an experience with the supernatural. Now, a surge of supernatural activity has forced the local police to partner with members of the paranormal community to help solve some of the town's deepest mysteries. **MAK Pictures**

#### **KILLING BIGFOOT**

Bobby Hamilton has been on the hunt for Bigfoot ever since encountering the monster as a child. Decades later, the world still doesn't have definitive proof of Bigfoot's existence, and that's where Hamilton, his friend Jim Lansdale, and their team – known as the Gulf Coast Bigfoot Research Organization (GCBRO) – have decided to take matters into their own hands. GCBRO is on a mission to prove once and for all that Bigfoot exists by harvesting a DNA sample for scientific evidence, even if that means killing Bigfoot to get it. **Gryphon Productions**

#### **A HAUNTING**

In A HAUNTING, real evil lurks in the darkest shadows and in the most ordinary places. Through spellbinding first-person accounts, each episode profiles the story of one family traumatized by unknown supernatural forces. Dramatic recreations bring to life some of the scariest stories known to man, leaving viewers with a lingering sense that life after death is much more powerful than anyone could possibly imagine. **New Dominion**

#### **GHOSTOBER**
