**NEW YORK – June 7, 2018 – Michael Symon** continues his search for the best of the American classics - burgers and BBQ – on a new season of *Burgers, Brew & 'Que*, premiering Tuesday, July 3<sup>rd</sup> at 9:00pm ET/6:00pm PT on Cooking Channel. Join Michael on a summer road trip as he tastes the most mouthwatering, decadent dishes, while washing it down with local beers and brews, sure to make any meal complete. Whether it's mile-high cheeseburgers or slow smoked, fall-off-the-bone ribs, Michael is going to eat and meet his way through some of the best All-American spots to get your grub on

“Michael Symon’s passion and knowledge for these quintessential summertime dishes is evident during his travels, as he gives viewers a front row seat to all the deliciousness and fun,” said Courtney White, General Manager and Executive Vice President, Programming, Food Network and HGTV. “The food, brews, and stories that Michael shares at each location are a must for anyone planning the perfect summer getaway.”

Michael’s search for the best *Burgers, Brew & 'Que* take him to some of the hottest culinary scenes around, including a stop in Asheville, North Carolina, where Michael smokes a whole hog in the traditional Carolina style for the juiciest, purest pork sandwich around. While in Savannah, Georgia, Michael finds a food truck serving up cheeseburger tacos with a house-made beer cheese sauce and a Jamaican jerk fried fish taco. In Seattle, Washington, behold a burger piled high with three different kinds of meat and cheese, and in Houston, Texas, witness a hot dog with chili pepper toppings so spicy you have to sign a release waiver just to order it. And don’t miss as Michael gets in touch with his Greek heritage in Queens, New York, with a classic lamb and feta cheeseburger, while sinking his teeth into an Italian-inspired burger stuffed with smoky mozzarella and prosciutto. Other destinations during the season include Phoenix, Arizona; Atlanta, Georgia; Charleston, South Carolina; and more.
