The latest installment in the top-rated ID Murder Mystery franchise from America’s leading true crime network, Investigation Discovery (ID), **ROBERT DURST: AN ID MURDER MYSTERY**, delves into the twisted truth behind one of New York’s most infamous real estate heirs. From the suspicious disappearance of Durst’s wife, Kathleen, to the execution-style murder of his confidant, Susan Berman, and finally the brutal killing of his neighbor, Morris Black, this two-part special event pulls the curtain back on this 40-year saga. **ROBERT DURST: AN ID MURDER MYSTERY premieres Monday, January 21 at 9/8c and Tuesday, January 22 at 9/8c**, only on Investigation Discovery.

“Truth is stranger than fiction, and there are few stories as bizarre – and, frankly, disturbing – as the one currently unraveling, today, around Robert Durst,” said Henry Schleiff, Group President of Investigation Discovery, Travel Channel, American Heroes Channel and Destination America. “The adage that money can’t buy happiness rings especially true in the epic tale of Robert Durst – and, perhaps, in this case, we’ll learn that it also can’t buy freedom.”

ROBERT DURST: AN ID MURDER MYSTERY is an unabridged look into the investigation of Robert Durst for the murder of Susan Berman, Durst’s close friend, who was found shot execution-style nearly two decades ago. While Durst maintains his innocence, many suspect he killed Berman to prevent her from telling police the truth about his wife Kathleen’s suspicious disappearance from New York in 1982. The latest installment of ID’s hit ID MURDER MYSTERY franchise, **ROBERT DURST: AN ID MURDER MYSTERY** builds on the explosive news coming out of HBO’s *The Jinx* to bring viewers a comprehensive, 360-degree exploration into the case starting from the very beginning and extending to new information from the present day.

All-new and exclusive interviews featured throughout this two-part limited series include **Jim and Sharon McCormack**, Kathleen’s brother and sister-in-law; **Ruth Mayer** and **Ellen Strauss**, Kathleen’s friends; **Dick DeGuerin**, Durst’s defense attorney; and **Susan Criss**, the former judge who presided over the 2003 trial for the murder of Morris Black where Durst was acquitted. Others featured throughout the mini-series include legal experts and journalists who’ve followed the rollercoaster case the last four decades including legal analyst **Beth Karas**; true crime journalist **Diane Dimond**; crime reporter **Jane Velez-Mitchell**; and *New York Times* reporter **Charles Bagli**.
