

**TRIPLE THE TWISTED; ID ANNOUNCES SEASON THREE OF THE KHLOÉ KARDASHIAN-PRODUCED HIT  
SERIES TWISTED SISTERS**

***The Third Season Premieres October 26<sup>th</sup> at 9/8ct on Investigation Discovery***

(New York, NY) – Investigation Discovery, America’s leading true-crime television network, is thrilled to announce the third season of the Khloé Kardashian-produced series TWISTED SISTERS. Brought to you by 44 Blue Productions, a Red Arrow Studios company, this series began with sinister siblings who devolved to killers and has transformed into chilling accounts of intertwined family webs, with salacious sisterhood still at the core of every episode. From a quiet town near the Smoky Mountains, to the sunny skies of St. Petersburg, FL, stories in this season span the nation, and across multiple different family dynamics. It’s not always the sister who is the culprit of the crime, but sometimes the accomplice, victim, whistle-blower or unintended spy. Each episode is shrouded in mystery, heartbreak and hidden emotions, proving that where there are family ties, there are also family lies. **Season three of TWISTED SISTERS premieres on Monday, October 26<sup>th</sup> at 9/8ct, only on Investigation Discovery.**

“Our viewers love intricate and complicated stories of interpersonal relationships, and that’s exactly why this show has been a hit from the start,” says Henry Schleiff, Group President of Investigation Discovery, Travel Channel, American Heroes Channel and Destination America. “We are proud to partner with Khloé and bring a third season to our network, filled with emotional stories of family and sisterhood, brought to you by one of America’s most famous sisters.”

“Everyone knows I love true-crime, and this season we took TWISTED SISTERS to a whole new level with some exclusive interviews and never-before-seen footage and access,” says Khloé Kardashian, executive producer of the series.

Stephanie Noonan Drachkovitch of 44 Blue Productions adds: “Each episode pulls back the curtain and really humanizes the families and victims, and I think that connection is what makes this season so emotional, captivating and important.”

Upcoming episodes for this season of TWISTED SISTERS include:

**“The Good Sister” – premieres November 16<sup>th</sup> at 9/8ct**

A serious childhood illness limits the mental development of Debbie Burns, requiring her older sister Barbara to care for her. **TWISTED SISTERS** is produced for Investigation Discovery by 44 Blue Productions, a Red Arrow Studios company, with Khloé Kardashian, Stephanie Noonan Drachkovitch and David Hale as executive producers, and Robert M.
